William Mau

Vice President of Operations | Salesforce & Pardot Admin | AI-Driven
Automation | SaaS Growth Leader
Schenectady, New York, United States

Summary

Strategic operations and revenue leader with 10+ years of experience blending sales, marketing, and technology to drive growth and efficiency. Proven record of implementing Salesforce, Pardot, and AI-driven automation to eliminate 87% of operational bottlenecks, accelerate sales velocity, and deliver precise forecasting. Experienced leading global teams, system migrations (Google Cloud → Microsoft 365; Codero → Azure), and enterprise enablement programs that cut new-hire ramp from 8 months to 4 weeks. Board-level communicator with a passion for scaling SaaS and AI-powered solutions.

Experience

TalentSmartEQ

Vice President of Operations
May 2021 - Present (5 years 1 month)
United States

Transformed revenue operations by optimizing Salesforce, Pardot, and legal processes; streamlined contracting and compliance through automation, reducing bottlenecks by nearly 90% and accelerating sales velocity and forecasting precision.

Implemented AI-driven automation and custom GPT workflows across quoting, onboarding, and reporting, freeing sales capacity while improving data quality and compliance.

Directed enterprise system integrations (Salesforce, Pardot, QuickBooks, DocuSign, Conga, Microsoft 365, Azure) to streamline processes and unify reporting across sales, finance, and operations.

Built executive-level dashboards and forecasting models, equipping leadership with real-time visibility into pipeline health, conversion rates, and territory coverage.

Launched an enterprise SharePoint intranet that centralized resources, improved cross-functional collaboration, and accelerated onboarding and enablement.

Oversaw technology, cybersecurity, and compliance, safeguarding data integrity and reducing operational risk across global teams (U.S. and India).

Schalmont Central School District

Board of Education

May 2024 - Present (2 years 1 month)

Rotterdam, NY

Provide governance and fiscal oversight for a multi-million-dollar district budget, balancing community needs with long-term financial sustainability.

Contribute to policy development and strategic planning, ensuring district goals align with academic achievement, regulatory requirements, and future infrastructure needs.

Support community engagement initiatives, including the successful reopening of Woestina Elementary as a Pre-K center, strengthening early childhood education access for local families.

Review and approve superintendent recommendations on personnel, contracts, and district initiatives, safeguarding compliance and operational effectiveness.

Serve as a liaison between residents and district leadership, fostering transparency, accountability, and trust through open communication.

Cengage

Sr Sales Manager, Professional & Academic Channel

March 2018 - May 2021 (3 years 3 months)

Clifton Park, New York

Led enterprise Salesforce implementation that delivered a 10× productivity lift within six months by standardizing reporting, automating workflows, and improving pipeline hygiene.

Designed KPI frameworks and compensation models that aligned incentives to revenue targets, boosting accountability and driving sustained quota attainment.

Built a sales enablement and onboarding program that cut new-hire ramp time from eight months to four weeks, accelerating productivity and reducing churn.

Directed territory planning and segmentation, aligning resources to market opportunity and increasing pipeline conversion rates.

Partnered cross-functionally with Marketing and Product to refine GTM plays, improve funnel quality, and deliver measurable revenue growth across B2B channels.

Developed strategic account relationships that strengthened customer loyalty and expanded long-term recurring revenue streams.

Charter Communications

4 years 3 months

Manager, Inbound Sales

May 2016 - March 2018 (1 year 11 months)

Albany, New York Metropolitan Area

Key Responsibilities:

Strategic Sales Leadership: Directed sales strategies and team operations for inbound sales, enhancing performance metrics and revenue generation.

Operational Excellence: Spearheaded the redesign of sales processes, incorporating advanced CRM solutions to optimize operational efficiency and customer engagement.

Innovative Team Development: Initiated and managed a peer mentorship program, elevating sales performance and cohesiveness across the team, ensuring alignment with key performance indicators.

Culture and Performance Management: Fostered a results-driven culture that empowered direct reports, culminating in the team achieving top-ranked status within the enterprise.

Manager, Sales Effectiveness

January 2014 - May 2017 (3 years 5 months)

Albany, New York Metropolitan Area

Key Responsibilities:

Training and Development: Led the development and rollout of a comprehensive sales training program, significantly improving sales metrics by enhancing agent efficiency and effectiveness.

Leadership Onboarding: Overhauled the leadership onboarding process to accelerate leader readiness, significantly reducing learning curves and organizational churn.

Achievements:

Process Improvement: Pioneered improvements in sales training and onboarding processes, resulting in a 9% increase in sales metrics and a 72-second reduction in average handle time.

Reduced Churn: Successfully restructured the leadership onboarding process, markedly decreasing turnover and fostering a culture of leadership excellence and sustainability.

TJX

Operations Manager

June 2013 - January 2014 (8 months)

Clifton Park, New York

Key Responsibilities:

Comprehensive Leadership: Managed Human Resources, Logistics, and Customer Experience, ensuring operational excellence across a combined Marshall's/HomeGoods store.

Training Program Overhaul: Revamped training protocols to address longstanding issues, successfully removing the store's decade-long status as a 'focus' store due to shrinkage.

Staffing Optimization: Refined staffing processes through targeted interviewing and placement strategies, turning a 50% employee shortage into a consistent 5% surplus.

Logistics Enhancement: Strategically reallocated resources to boost logistical operations, enhancing store turnover and maximizing profitability.

Audit and Compliance: Enforced stringent audit standards among peers, driving operational metrics and consistently passing external audits.

Achievements:

Operational Efficiency: Implemented strategic initiatives that significantly improved operational efficiency and store performance.

Cultural Transformation: Transformed store culture and operational focus, resulting in improved employee morale and customer satisfaction.

Target

Executive Team Leader

October 2010 - June 2013 (2 years 9 months)

Clifton Park, NY

Key Responsibilities:

Sales and Operations Leadership: Spearheaded sales floor management and logistical operations for a major retail store, driving significant growth in revenue and operational efficiency.

Revenue Growth: Engineered a strategic increase in store revenue from \$32 million to \$36 million within two years by enhancing transaction value and overall sales strategies.

Team Management and Development: Directed a team of over 120 members, implementing development programs that promoted internal growth and significantly improved team performance.

Performance Optimization: Introduced rigorous performance standards and follow-ups, leading the store to achieve top rankings in key metrics across the company.

Culture and Morale: Led team-building initiatives to foster a positive work environment and strong team cohesion, contributing to enhanced morale and productivity.

Achievements:

Financial Impact: Boosted average transaction value by over \$5, directly impacting the store's annual gross sales and profitability.

Leadership Excellence: Cultivated a high-performance culture that moved several team members to advanced roles, underlining a commitment to career development and talent retention.

Operational Excellence: Achieved the number one position in multiple performance metrics, setting a benchmark for excellence within the organization.

Schenectady High School

Social Studies Teacher

August 2007 - September 2010 (3 years 2 months)

Schenectady, NY

Key Responsibilities:

Curriculum Development and Instruction: Delivered a dynamic social studies curriculum, utilizing innovative teaching methods to increase student engagement and understanding.

Technology Integration: Spearheaded the integration of technology into the curriculum, enhancing educational outcomes and securing donations for essential computing resources.

Program Leadership: Directed an after-school program, improving professional development for veteran teachers and enriching educational offerings.

Student Engagement: Implemented strategies to elevate student interest and participation, resulting in heightened academic performance in social studies.

Achievements:

Educational Innovation: Introduced advanced teaching tools, markedly increasing student interaction and educational effectiveness.

Community Engagement: Successfully engaged local businesses and stakeholders to support educational initiatives through significant donations.

Leadership in Education: Managed and mentored a diverse team of educators, fostering a collaborative environment that encouraged innovative teaching practices.
